

CATALYST CONNECTION®
POWERING POTENTIAL

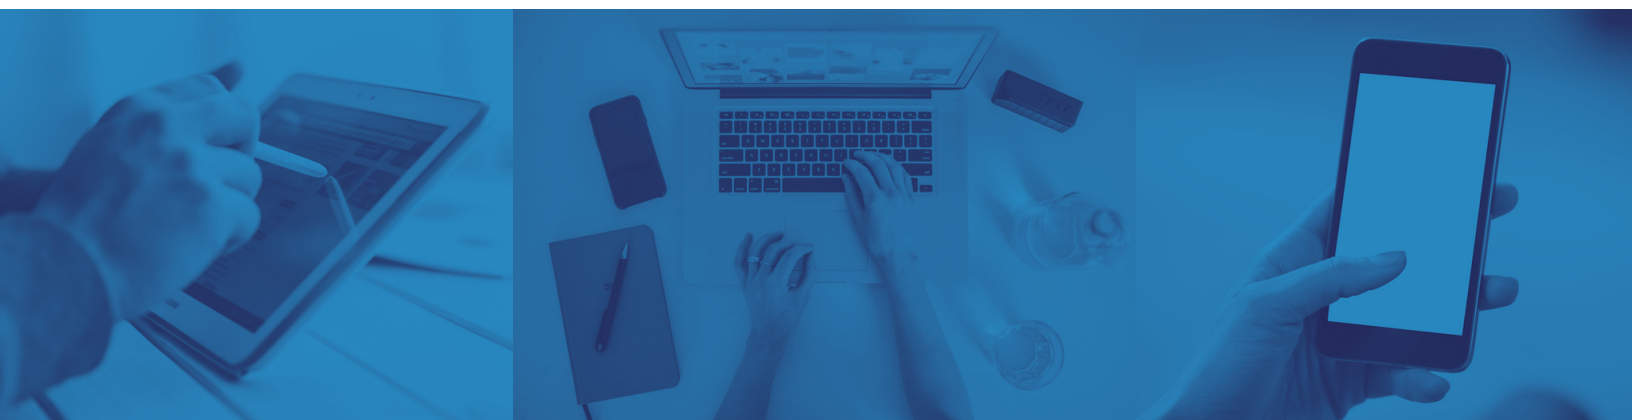

Instructional Design

Instructional Design Service

Catalyst Connection is offering a new service to our manufacturing clients using the platform Articulate to create web-based trainings, presentations and/or materials to be used in an in-person, virtual, or hybrid environment.

How could this service benefit your company?

- Create ***engaging, interactive and custom*** content for your employees, stakeholders, and customers.
- Custom presentations and collateral created with your ***company branding***; accessible to all through a website link.
- Content is immediately available and designed to fit ***phones, tablets and desktops***.

To learn more about this service scan the QR code with your smartphone or contact the team: instructionaldesign@catalystconnection.org
